

Certificate of Conformity of the Factory Production Control GB16/871673

In compliance with **Regulation 305/2011/EU** of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

The design and manufacture of structural steelwork fabrications predominately within the dairy, food and process industries.

placed on the market under the name or trade mark of

JWCI Limited

Fourways Unit, Folebank, Fole, Uttoxeter, Staffordshire, ST14 5EW

and produced in the manufacturing plant

JWCI Limited

Fourways Unit, Folebank, Fole, Uttoxeter, Staffordshire, ST14 5EW

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 1090-1:2009+A1:2011

under system 2+ for the performances set out above are applied and that the factory production control fulfils all the prescribed requirements for these performances.

This certificate is valid from 03 June 2016 and remains valid as long as regular surveillances are maintained the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performances of the declared essential characteristics, do not change, and the construction product and the manufacturing conditions in the plant are not modified significantly, unless suspended or withdrawn by the factory production control certification body.

Issue 1. This certificate was first issued on 03 June 2016.
